Villa - Enchanting residence enjoying an utterly peaceful setting close to one of the best beaches!

4 | 3 + 1 wc | 224,30 m² | 2405 m²

This enchanting residence enjoys an utterly peaceful setting at one of the best beach locations at east of Marbella. The sheer size of this south facing plot, totaling 2.405 m², is an absolute rarity in the area. Standing unobtrusively behind a front wall with gateway entrance, the property offers an exceptional charm, including its own tennis court; this space of land could be converted into an individual guest villa. Completely renovated in 2000, the Andalucian style of the exterior has been maintained. The generous dimensions of these interiors can hardly be surpassed and provide plenty of comfort and privacy in which to retreat and relax. High-quality materials, sea views from the ground floor and all kinds of amenities enhance the superior flair still further!
