86,31 - 98,15 m²

communal m²

This outstanding residential development is setting in exotic gardens, stretching through over 40.000 m² with large green zones of palm trees, tropical plants and pools, creating a green Mediterranean ecosystem. The buildings of the complex offer a catching design of white lines and gentle outlines for its south-facing dwellings, the 2-3 bedroom apartments and lofts have been designed to present a quality residential experience, which meet the needs of demanding clients. All units boast airy living spaces opening onto balconies and terraces, and quality finishes of the interiors, such as marble-fitted bathrooms and modern kitchens. The development features artificial beaches with fine sand, sun deck areas and zones for beach sport promising a privileged living surrounded by a turquoise lagoon, simple a uniqueness! - Average prices from € 555.000 up to € 605.000!
