This modern boutique project of 13 spectacular villas is located on an elevated position boasting fantastic sea views and absolute privacy. Envisaged to indulge even the most discerning lifestyles in a luxury ambience, these residences offer the utmost of elegance and exclusivity. Designed by a renowned architect, each of the villas is a real piece of art with materials that underline their soul and provide warmth. An elegant infinity-pool, a stylish lounge or underfloor heating in the whole house are only some of the highlights that make life here so special. Only 15 minutes from world-famous Puerto Banús or Marbella's city-centre these sustainable homes are built in harmony with nature and owners can even enjoy their own vegetable gardens. A truly special and unique project for those who want to live the philosophy of the 21st century! Average prices from € 1.890.000 up to € 2.900.000!
