Villa - Special charm & classic design with panoramic views close to the town center!

4	3 + 1 wc	100 m²	3679 m²

This recently refurbished home occupies an expansive plot with panoramic views, offering the best of coastal living paired with craftsmanship, classic design and modern amenities. A light flooded living / dining area, a custom kitchen and an entertainment room make up the main level, while a spacious master suite with a private terrace on the first floor provides an unbeatable view looking down the pool area until the sea; and the lower level hosts further bedrooms. Custom finishes can be admired throughout this stunning property, like the wood deck around the pool and its location is second to none, just a few minutes driving to the beach and the town center! - Reduced from € 1.475.000! > SOLD!
